# USER GUIDE

PiJRR  
JAVA  
ROAD  
REVOLUTION  
Map by Pejindo - Septian\_MR

MAP VERSION : **0.4**

FOR ETS2 VERSION : **1.44**

## Features / Changelog:

- ❖ Compatibility update for **ETS2 1.44**
- ❖ Added new areas : Serpong, and several roads in north-west Bogor
- ❖ More new roads are added along west part of this map
- ❖ Reworked several places in Tangerang
- ❖ Many bug fixes from previous map version

## Notes :

- ❖ **Not require every DLC's!**  
You can use this map with DLC or without map DLC (*even if you don't have any completed one*)
- ❖ Compatible with other add-on maps (for creating any map combos).
- ❖ Use **"World UI Map Background"** mod to have easier way looking for this map position in game.

## Many Thanks to :

-- SCS Software

-- **BenganJ** (*who have created map editor background for this map*)

-- Map adaptation for using version of **PM Map Background** by ProMods Team

-- **Indonesian Modding Communities :**

- \* Kumpulan Mod Map ETS2 Indonesia (owner : Imam Kurniawan & co.)
- \* ETS2 Developer Indonesia (owner : Rizky Arifin & co.)
- \* ICRF PRM & NJIR (owner : M. Reza Fahlevi & co.)
- \* All map testers (Indonesian) who have contributed for this map.

## Instalation:

- ❖ Download JRR Map by clicking any link available.

**Note:** Now this map is separated for these 2 version of UI Map Background mod, default by BenganJ, and PM (ProMods) Background.

Choose only one of them that you prefer the most.

- ❖ From now, you HAVE TO download additional mod of "Map Background", put it into "/Document/Euro Truck Simulator2/mod/".
- ❖ Open JRR Map v0.4 (ETS2 Version).7z. (no password included)
- ❖ Ensure all files in the 7zip archive (3 .scs files, 3 images, and 1 Readme pdf file) are available. Otherwise, there might be missing or corrupted one.
- ❖ Place all .scs files into mod folder (/Document/Euro Truck Simulator2/mod/)

List :

"JRR\_Def&Map[ETS2 version].scs",

"JRR\_Assets&Models1.sc3", and

"JRR\_Assets&Models2.sc3" (this is being switched from now!)

- ❖ After that, open the game as usual. Then put these 3 map files (+Map Background) in your mod manager of game profile.

General Mod Orders :

**Global Backgrounds (Map Background)**

**Sounds**

**Graphics/Weather**

**Physics**

**Tuning Parts**

**AI Mods**

**Skins**

**Trailers**

**Trucks (or Bus)**

**Other Map Mods**

-- JRR\_Def&Map.sc3

-- JRR\_Assets&Models1.sc3"

-- JRR\_Assets&Models2.sc3"

- ❖ Finally it is ready to play. Enjoy
