FLEA BITTEN

A dark grey horse with a white blaze on its face and white speckles on its body is running through tall green grass. The horse is captured in profile, facing left, with its mane and tail flowing. The background features rolling green hills and distant, hazy mountains under a clear blue sky. The text "ROSE GREY" is overlaid in red on the right side of the image.

ROSE GREY

A dark-colored horse, possibly a stallion, is captured in profile, running through a lush green field. The horse's coat is primarily black or very dark bay, but it features prominent, irregular patches of a rich, reddish-brown or chestnut color, particularly on its face, neck, and hindquarters. The horse is in motion, with its legs extended and its tail slightly raised. In the background, a large, green-painted wooden building with white trim and a dark roof is visible, slightly out of focus. The sky is blue with some light clouds. The overall scene is bright and sunny, suggesting a clear day.

BAY TOVERO

A detailed digital illustration of a horse with a black and white spotted coat, known as a 'Black Overo'. The horse is standing on a weathered log, facing right. It has a white body with large, irregular black patches. Its legs are also spotted, with black markings on the lower portions. The horse's tail is black. The background is a soft-focus landscape with trees and a body of water. The text 'BLACK TOVERO' is written in red, blocky capital letters on the right side of the image.

**BLACK
TOVERO**

A detailed digital rendering of a horse with a 'Palomino Splashed' coat. The horse has a white base coat with large, irregular patches of golden-brown color. It has a long, flowing blonde mane and tail. The horse is standing in a field of tall, dry grass, with a blurred background of green hills and trees. The lighting is bright, suggesting a sunny day.
