

# DOWNLOAD INSTRUCTIONS

Please follow the next instructions to download the files correctly:

1. Go to the website <https://forum.scssoft.com/viewtopic.php?f=35&t=185585> to download the original mod of the truck
2. Now on the website you must look **DOWNLOAD 2.2** and click to start downloading the mod

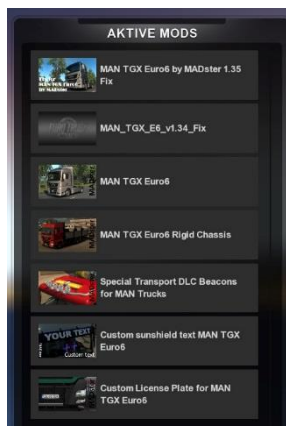

3. Once downloaded the previous mod you must click on **this fix** to download the 1.34 fix

4. After clicking you will go to another web page where you must click on **Download** to download the 1.34 fix

5. Once you have downloaded the mod from the truck and the fix, you must unzip the files in the mod folder of Euro Truck Simulator 2
6. Now unzip the 1.35 fix into the mod folder of Euro Truck Simulator 2
7. Start the game and sort the mods as follows:

8. Enjoy
