By Septian MR

UPDATE IN VERSION : **2.65**

FOR ETS2 PATCH : **1.35 and above.**

Changelogs for this version:

- ➢ Compatible for *Euro Truck Simulator 2 patch 1.35* and above
- ➢ Improved coastal roads in Southern Island (from Hajisari to Pradasari)
- ➢ Improved several Bus Stations in Northern Island
- ➢ Changed country ID for Northern Island (experimental)
- ➢ Added New Tollgate prefabs for Northern Island (experimental)
- ➢ Added a lot of new assets and models into the map with some improvemets
- ➢ Fixed some bugs

Installation:

Cancel or finish your current delivery. Put **Panbase v2.x.scs** to **/Document/Euro Truck Simulator 2/mod/** folder. Edit mod manager on your profile. If you were using the old version of this map, you can delete it from you modfolder and change it with the new one.

File:
- -   PJ Indo Map v2 Base (Panbase v2.x.scs)
- -   Readme

Also compatible with other map mods: ProMods, RusMap, Southern Region, Project Balkans, MHA Pro, EAA, TSM, etc.

Special Thanks to:

Euro Truck Simulator 2 Base Game, many other map mods that inspire me, all of comments & suggestion, and more.

Note:
- **Not require all DLC's** (Going East, Scandinavia, Vive la France, Italia, Beyond the Baltic Sea). So everyone who don't have all of those DLCs can play this map.

- **Do not reupload and use this mod for commercial purpose**!!

- If you would like to use models and assets from this map, or editing and build upon this map, **you have to add this author name** in your mod.
  Ex: *Special thanks to PJ Indo Map by....*, etc.
