

DOWNLOAD INSTRUCTIONS

Please follow the next instructions to download the files correctly:

1. Go to the website <https://forum.scssoft.com/viewtopic.php?t=177409> to download the original mod of the truck

2. Now on the website you must look **DOWNLOAD 2.5** and click to start downloading the mod

3. Once you have downloaded the truck mod you must unzip the files on the mod folder of Euro Truck Simulator 2 (C:\Users\[user]\Documents\Euro Truck Simulator 2\mod)
4. Now copy the 1.36 fix into the mod folder of Euro Truck Simulator 2
5. Start the game and sort the mods as follows:
