REVOLUTION**  
Map by **Pejindo** - **Septian\_MR**

MAP VERSION : **0.2**

COMPATIBLE FOR ETS2 VERSION : **1.38, 1.39, 1.40 (and newer)**

## Features / Changelog:

- ❖ Added 4 new city : **Tangerang, Depok, Ciputat & Bogor**
- ❖ A lot of new map assets and models + some tweaks.
- ❖ Added more custom BIG interchanges on real Indonesian highways.
- ❖ Added 4 new Indonesia bus station : Poris Plawad (Tangerang), Jatijajar (Depok), Pondok Cabe (Ciputat, Southern Tangerang), Kalideres (Jakarta), Baranangsiang (Bogor)
- ❖ New Indonesian Real Companies + its trailer/cargo skins
- ❖ Many bug fixes and map tweaks

## Notes :

- ❖ **Not require every DLC's**. You can use this map with DLC or without map DLC (even if you don't have any completed one)
- ❖ Compatible with other add-on maps (for creating any map combos).
- ❖ Additional : Use **"World Map Background"** mod to have easier way looking for this map position in game. Download from here :

## Instalation:

- ❖ **Download JRR Map** by clicking one link available. Choose it based on your latest ETS2 version/patch.  
ETS2 1.35, 1.36, 1.37 choose **"DOWNLOAD JRR v0.2 1.35, 1.36, 1.37"**  
ETS2 1.38, 1.39, 1.40 choose **"DOWNLOAD JRR v0.2 1.38, 1.39, 1.40 UP"**
- ❖ Open **JRR Map v0.2 (ETS2 Version).7z**. (no password included)

- ❖ Ensure all files in the 7zip archive (3 .scs files, 3 images, and 1 Readme pdf file) are available. Otherwise, there is missing or corrupted one.
- ❖ Put three .scs files into folder of **"/Document/Euro Truck Simulator2/mod/"**  
List :  
**"JRR\_Def&Map.scs"**,  
**"JRR\_Assets&Models2.scs"**, and  
**"JRR\_Assets&Models1.scs"**
- ❖ Anyways, you can also download additional mod of **"World Map Background"** and put into **"/Document/Euro Truck Simulator2/mod/"**.
- ❖ After that, open the game as usual. Then put these 3 map files (+World Map Background) on your mod manager of game profile.
